

Surviving the
Three Days
of Darkness
and the
Chastisement

Note to reader:

Private revelations are not dogma. You are free to believe or not believe private revelations.

In my own case I have home insurance even though I don't expect my house to burn down. I also have car insurance even though I don't expect it to crash.

In a similar way I see the three days of darkness precautions (blessed beeswax candle and purple scapular) as insurance even though I believe that the three days of darkness is far more likely to happen than my house burning down.

Illumination of Conscience

Summary

According to foretold prophecy, the Illumination of Conscience, or the Warning, will be an experience in which every person on earth except small children will be allowed by God to see the condition of their soul as well as their eternal destination if they were to die that day. During the Illumination of Conscience, in what will be the greatest act of His mercy, God will also convince us that He does indeed exist, and that He wants our salvation.

According to different sources, the event will be preceded by the appearance in the sky of the Cross which will be visible to all mankind.

In her Diary, where she transcribed her mystical dialogues with Jesus, the Polish nun, St. Faustina Kowalska (1905–1938) reported that she experienced an Illumination of Conscience.

"Once I was summoned to the judgment [seat] of God. I stood alone before the Lord. Jesus appeared such as we know him during his Passion. After a moment, his wounds disappeared except for five, those in his hands, his feet and his side. Suddenly I saw the complete condition of my soul as God sees it. I could clearly see all that is displeasing to God. I did not know that even the smallest transgressions will have to be accounted for." (Diary, 36).

Jesus said to St. Faustina: *"Write this: before I come as the Just Judge, I come as the King of Mercy. Before the day of justice arrives, this sign in the sky will be given to mankind. All light in the heavens will be extinguished, and there will be great darkness over the whole earth. Then the sign of the Cross will be seen in the sky, and from the holes where the hands and the feet of the Savior were nailed will come forth a brilliant light, which will illuminate the Earth for a period of time. This will take place shortly before the last day" (Diary, 83).* For the complete article go to this site:

The Three Days of Darkness

Summary

Many visionaries have foretold the Three Days of Darkness. In essence the Lord will cause three days of dense darkness to fall over the entire earth. When this happens the faithful are to be in their homes with all doors and windows locked. In addition all glass doors and windows are to be covered so no one can see outside. I will use black builders plastic for this. The air will be filled with demons appearing in all kinds of horrible forms.

Anyone who looks outside will die instantly. Most unbelievers will die. The only light that is possible is from blessed beeswax candles with a life of 72 hours. The candles will not light for people with no faith.

Padre Pio said this: *"Keep your windows well covered. Do not look out. Light a blessed candle, which will suffice for many days. Pray the rosary. Read spiritual books. Make acts of Spiritual Communion, also acts of love, which are so pleasing to Us. Pray with outstretched arms, or prostrate on the ground, in order that many souls may be saved. Do not go outside the house. Provide yourself with sufficient food. The powers of nature shall be moved and a rain of fire shall make people tremble with fear. Have courage! I am in the midst of you."* (On January 26, 1950. Padre Pio)

What you will need

3.1 72 hour beeswax candle

3.2 Purple scapular

3.3 Rosary beads

3.1

72 hour beeswax candle

These candles are the only source of light that will work in the three days of darkness. They will not light for unbelievers. These candles MUST be blessed by a Catholic Priest. Just take the candle to your local parish and ask the priest to bless it. You don't have to be catholic to do this.

Where to buy

Search online for beeswax candles and select one that has a burn time of at least 72 hrs. I can give you two places where I have purchased 72 beeswax candles:

1. Amazon
2. Happy Flame Candles – www.happyflame.com.au
Happy Flame is located in Australia but you will be able to find beeswax candlemakers in your own country.

3.2

Purple scapular

Marie Julie Mahenny was given this scapular by Our Lady in France in the late nineteenth century. This is the promise of Jesus to those who display this scapular prominently in their own home.

"My children, any soul, any person who will possess this scapular, will see his family protected, his house will also be protected, firstly from conflagrations, which will never penetrate it.

"This scapular will crush the ungrateful who will blaspheme My Name in the house where it will be exposed. If an impious enters, he will be so struck that his conversion will occur. All those who will wear it will be protected from thunder, sudden death and accidents. During the chastisements they will be protected."

It is a large scapular and only one per household is required although some people, including myself choose to wear an additional purple scapular on our own person. These are available on Amazon and again must be blessed by a catholic priest. For full and complete details on the purple scapular go to:

15 promises of Our Lady to those who pray the Rosary devoutly:

1. Those who faithfully serve me by the recitation of the Rosary shall receive signal graces.
2. I promise my special protection and the greatest graces to all those who shall recite the Rosary.
3. The Rosary shall be a powerful armour against hell. It will destroy vice, decrease sin, and defeat heresies.
4. The recitation of the Rosary will cause virtue and good works to flourish. It will obtain for souls the abundant mercy of God. It will withdraw the hearts of men from the love of the world and its vanities, and will lift them to the desire of eternal things. Oh, that souls would sanctify themselves by this means.
5. The soul which recommends itself to me by the recitation of the Rosary shall not perish.
6. Those who recite my Rosary devoutly, applying themselves to the consideration of its sacred mysteries, shall never be conquered by misfortune. In His justice, God will not chastise them; nor shall they perish by an unprovided death, i.e., be unprepared for heaven. Sinners shall convert. The just shall persevere in grace and become worthy of eternal life.
7. Those who have a true devotion to the Rosary shall not die without the sacraments of the Church.
8. Those who faithfully recite the Rosary shall have, during their life and at their death, the light of God and the plenitude of His graces. At the moment of death, they shall participate in the merits of the saints in paradise.
9. I shall deliver from purgatory those who have been devoted to the Rosary.
10. The faithful children of the Rosary shall merit a high degree of glory in heaven.
11. By the recitation of the Rosary you shall obtain all that you ask of me.
12. Those who propagate the holy Rosary shall be aided by me in their necessities.
13. I have obtained from my Divine Son that all the advocates of the Rosary shall have for intercessors the entire celestial court during their life and at the hour of their death.
14. All who recite the Rosary are my beloved children and the brothers and sisters of my only Son, Jesus Christ.
15. Devotion for my Rosary is a great sign of predestination.

The Chastisement

"Fire will fall from the sky and wipe out a greater part of humanity. The survivors will find themselves so desolate that they will envy the dead."

Our Lady to Sister Sasagawa at Akita, Japan in October 1973.

From the Bible

But the day of the Lord will come like a thief. The heavens will disappear with a roar; the elements will be destroyed by fire, and the earth and everything in it will be laid bare. That day will bring about the destruction of the heavens by fire, and the elements will melt in the heat.

2 Peter 3:10-11

The LORD will cause men to hear his majestic voice and will make them see his arm coming down with raging anger and consuming fire, with cloudburst, thunderstorm and hail.

Isaiah 30:30

In the fire of his jealousy the whole world will be consumed, for he will make a sudden end of all who live in the earth.

Zephaniah 1:18

There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexed at the roaring and tossing of the sea. Men will faint from terror, apprehensive of what is coming on the world, for the heavenly bodies will be shaken. At that time they will see the Son of Man coming in a cloud with power and great glory. When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near.

Luke 21:25-28

The first angel sounded his trumpet, and there came hail and fire mixed with blood, and it was hurled down upon the earth. A third of the earth was burned up, a third of the trees were burned up, and all the green grass was burned up.

Revelation 8:7

A third of mankind was killed by the three plagues of fire, smoke and sulfur that came out of their mouths.

Revelation 9:18

Weeping statue of Our Lady at Akita

Our Lady of Akita

On April 22, 1984, after eight years of investigations, after consultation with the HOLY SEE, the messages of Our Lady of Akita were approved by the Bishop of the diocese. In the Japanese village of Akita, a statue of the Madonna, according to the testimony of more than 500 Christians and non-Christians, including the Buddhist mayor of the town, has shed blood, sweat and tears. A nun, Agnes Katsuko Sasagawa has received the stigmata and has received messages from Our Lady.

Extraordinary Events

The extraordinary events began on June 12, 1973, when Sr. Agnes saw brilliant mysterious rays emanate suddenly from the tabernacle. The same thing happened on each of the two days that followed.

On June 28, 1973, a cross shaped wound appeared on the inside left hand of Sr. Agnes. It bled profusely and caused her much pain. On July 6, Sr. Agnes heard a voice coming from the statue of the Blessed Virgin Mary in the chapel where she was praying. The statue was carved from a single block of wood from a Katsura tree and is three feet tall. On the same day, a few of the sisters noticed drops of blood flowing from the statue's right hand. On four occasions, this act of blood flow repeated itself. The wound in the statue's hand remained until September 29, when it disappeared.

On August 13, Sr. Agnes received a second message. On October 13, (the anniversary of Our Lady's final appearance at Fatima) she received a final third message.

Two years later on January 4, 1975, the statue began to weep. It continued to weep at intervals for the next 6 years and eight months. It wept on 101 occasions. Bishop Ito, in 1984, officially recognised the occurrence of the supernatural phenomenon and the Madonna's messages. Since then there has been a steady influx of pilgrims from throughout the world. Cardinal Ratzinger, (later Pope Benedict) received the Bishop of Nigata, John Shorijolto and judged the Virgin's messages as credible.

"My dear daughter, listen well to what I have to say to you. You will inform your superior. As I told you, if men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity.

It will be a punishment greater than the deluge (Noah's Flood), such as one will have never been seen before. Fire will fall from the sky and will wipe out a great part of humanity, the good as well as the bad, sparing neither priests nor faithful.

The survivors will find themselves so desolate that they will envy the dead. The only arms which will remain for you will be the Rosary and the Sign left by My Son. Each day recite the prayers of the Rosary. With the Rosary, pray for the Pope, the bishops and priests.

The work of the devil will infiltrate even into the Church, in such a way that one will see cardinals opposing cardinals, bishops against bishops. The priests who venerate Me will be scorned and opposed by their confreres... churches and altars sacked; the Church will be full of those who accept compromises and the demon will press many priests and consecrated souls to leave the service of the Lord.

The demon will be especially implacable against souls consecrated to God. The thought of the loss of so many souls is the cause of my sadness. If sins increase in number and gravity, there will be no longer pardon for them."

Part of the third message of Our Lady of Akita to Sr Agnes, October 13, 1973

Why I built this site

I built this site because of a prophetic word I received while praying on a three day retreat in October 1994. Also in this updated account, I have included some very significant material that was not included originally. The word I received is in italics below:

My Son, I have called you to be a watchman to the house of Israel. These words tell of the coming wrath and holocaust. The nations have turned against Me and follow their own idols, and so they will bring down on themselves My wrath. I call you to be a watchman and warn of the things to come; judgement and fire.

My Son, I call you to be a watchman. I call you to be a faithful servant even if all around you are faithless. Do not shrink from the task I call you to. The world will be judged and found wanting and will be punished. You must warn men of the coming judgement. If you do not warn them of the coming judgement, and the judgement comes and takes any of them, you will be accountable and responsible for their blood.

I will bless you financially so that you may accomplish this task. Be warned however; do not store up for yourself wealth and possessions for all will be consumed. Give of yourself unstintingly and rely on me alone. Pray for a spirit of detachment from the finances that I will give you.

Your task is to be a watchman to the house of Israel. Your temporal activities will serve only to promote My kingdom- to enable you to complete the task I have given you. My mother will help you. Pray to her for your needs and she will intercede to Me on your behalf. I am unable to refuse My mother and I have given her to you as a great and precious gift. Devote yourself to her more fully, for she will help you carry out My wishes.

I love you. All is well. Trust in Me and pray always. All is well.

I had this word discerned by a priest who is now a bishop and he told me that there was nothing contrary to the Catholic faith in it. A few months before the retreat, Comet Shoemaker-Levy collided with Jupiter over the period July 16–22, 1994.

We are already at the stage where priests are fighting priests, bishops against bishops and cardinals against cardinals. The next event in the Akita prophecy is for fire to fall from the sky. Cardinal Benedict when asked about the third secret of Fatima replied that **Akita is Fatima!**

Cardinal Ratzinger (later to become Pope Benedict)

Akita and Fatima

So what is the connection between Akita and Fatima. Most people are aware of the third secret of Fatima which was belatedly released by the Vatican.

In the words of Sr Lucia's own words: *"At the left of Our Lady and a little above, we saw an Angel with a flaming sword in his left hand; flashing, it gave out flames that looked as though they would set the world on fire; but they died out in contact with the splendour that Our Lady radiated towards him from her right hand: pointing to the earth with his right hand, the Angel cried out in a loud voice: 'Penance, Penance, Penance!'."*

The section just quoted above precedes 'The bishop in white' passage with which most students of Fatima are familiar. The section above is overlooked by most but to me it perfectly explains what Cardinal Ratzinger meant when he said "Akita is Fatima". Our lady is holding back the threat of the flaming sword of the angel which looked as if it would set the world on fire. The sins of the world are increasing exponentially and Our Lady indicated at Medjugorje that she was unable to hold back God's punishment forever.

Please note the date of the final Akita apparition: October 13. Date of final Fatima apparition: October 13.

As a geology graduate, I found this very interesting, especially as it represented the first time in human history that we were able to observe, in real time, a major meteorite collision with another planet. The impacts were devastating and would have obliterated the Earth if it had hit us.

On the retreat, I couldn't help wondering if this could represent a warning from God as to what could happen to us if we did not repent from our sinfulness. At that stage, the idea of God sending a major meteorite to punish us was just my idea, after all scripture warns in several places that the world would be destroyed by fire. However, several events were to follow in the next fifteen years that confirmed my idea that God would use a meteorite/asteroid to chastise the earth.

I took the word that the Lord had given me seriously and after the retreat I produced a pamphlet that contains pretty much all that is contained in this website. I printed over 100,000 of these and with the aid of friends distributed them in churches and other places.

Pretty soon, I began to receive letters from all over the world asking for copies and asking me to send rosary beads medals etc. In particular I began to receive dozens of letters from school children in Aitape, Papua-New Guinea. Most of these children were asking for rosary beads, booklets, medals, holy pictures etc. To my great shame I did not treat these requests as seriously as I should have. I thought that these kids were just after trinkets, a kind of religious items cargo cult. I responded to the vast majority of the letters, but a few went unanswered. Then a devastating event occurred that shattered me. A giant tsunami wiped out Aitape and surrounding areas. Over two thousand people were killed with the majority being children. Most of the children who wrote to me were now dead. Please pray for me that God will not hold me accountable for those children I could have sent the literature to.

In March 2004 I created this website.

Jupiter collision a warning call to Earth

In July 2009 an Australian astronomer discovered that a second major meteorite or comet had collided with Jupiter. The collision itself was not observed, but the impact scar was, but what floored me was that the impact date was estimated to be July 18 or 19, exactly 15 years after the Shoemaker-Levy collision!

What were the chances of two major meteorite collisions on Jupiter occurring on the same date? I now felt that maybe God was really telling us that a major impact on Earth was possible. On an impulse I looked up Google to find out what date the Aitape tsunami had occurred on. When the search results came up I went white; the tsunami had wiped out Aitape on July 17, 1998! **Three major events all on or about July 17!**

I hasten to add that I don't believe that God will send a chastisement on July 17 of any particular year. This would be unscriptural as Jesus said in Mark Ch 13 that "*You will know not the hour or the day*".

Note that Jesus said that we would not know the day or hour, but we would know the season.

Now learn this lesson from the fig tree: As soon as its twigs get tender and its leaves come out, you know that summer is near. Even so, when you see these things happening, you know that it is near, right at the door.

Mark 13:28-29

So, what is the significance of July 17? I believe that it was God showing me that these events were no accident and that I had heard him. We don't know the day but we do know the season we are in.

A prominent evangelist once said.. "If God does not act soon, He owes Sodom and Gomorrah an apology" This was a flippant remark, but there is no doubting that sin has reached monumental levels in the world. Pornography, child abuse, prostitution, blasphemy and abortion to name just a few, have now reached levels that would have been unthinkable in the past. Note that in Ch 13 of Mark, Jesus says that the Gospel will be preached to all the earth, then the end will come. The invention of the internet has allowed that to happen. The Gospel can be preached to all the earth via the internet, and the message of God's warning can be seen by every person on earth by the same way.

At the time of writing this update we have had pagan idols in St Peter's in Rome (October 2019) and now we have the pandemic. My own belief is that the two are related.

The key scripture is Luke:

*There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexity at the roaring and tossing of the sea. **Men will faint from terror, apprehensive of what is coming on the world, for the heavenly bodies will be shaken.***

Luke 21:25-26

St Clement's Retreat Center at Galong NSW

I personally feel that the Lord will chastise the world with a major meteorite/comet collision. A major collision would produce massive, massive tidal waves if it landed in the ocean, (the roaring and tossing of the waves).

A meteorite impact of this size would be detected by astronomers some time before, perhaps several months, and hence people would have time to be "terrified by what is about to come on them". Why are they terrified? Because they know what is coming and there is nothing that they can do about it. Also, a major meteorite would result in huge amounts of molten rock called ejecta to be launched back into space only to rain down over the whole earth as fireballs, not just at the site of impact. This also fits in well with Our Lady's message at Akita that fire will fall from the sky. An asteroid impact on Earth is the only natural disaster that is able to be detected long before it happens.

We don't know when this will happen only that it will. Our Lady's previous messages have told us that the chastisement cannot be averted but can be lessened by prayer. We don't know the day or hour, but we can know the season. There has never been greater evil in the world. We can only now wait for the second part; fire to fall from the sky.

Now that you have received this knowledge, what does God want you to do in the little time left before the chastisement?

Before I tell you what God requires of you, I'd like to tell you my own conversion story. I was raised a Catholic and was even quite devout as a primary student and even thought of being a priest but once puberty arrived, the concept of celibacy had no attraction whatsoever.

Once I got to university I became an atheist mainly because of the 'cool' people I was hanging around with and because I felt guilty about my new party lifestyle. I figured if God didn't exist, I wouldn't feel guilty anymore. I met my wife at university and she was a catholic but a bad apple soils the bunch and it wasn't long before she dropped her faith as well. We went on like that for the next twenty years and had five kids.

I don't want you to think I am some holy guy having private revelations from God. Far from it. Like any man I was tempted by the world, the flesh and the devil, but especially the flesh. I won't go into any detail, but impurity became a part of my life.

What changed? My sinful ways had brought our marriage to a breaking point with no way out. I was distraught and shattered but then I remembered what a Christian Brother had taught us at high school. He said, *"If ever you find yourself in an impossible situation in your life, with no way out... call on Our Lady."* And that's what I did. I, a desperate atheist, called on the Mother of God to save me! And she did!

I begged my wife for forgiveness and to take me back and she did. Within a few months I had a miraculous conversion when Jesus touched me. I actually felt His touch and felt totally surrounded and immersed in Love. I became a believer in about three nanoseconds.

What does God want you to do? He wants you to repent and be holy!

Son of man, say to the Israelites, 'This is what you are saying: "Our offenses and sins weigh us down, and we are wasting away because of them. How then can we live?"' Say to them, 'As surely as I live, declares the Sovereign Lord, I take no pleasure in the death of the wicked, but rather that they turn from their ways and live. Turn! Turn from your evil ways! Why will you die, people of Israel?'

Ezekiel 33:10-11

Be Holy for I am Holy.

Peter 1:14-16

Ok, so how do you become holy?

Well, there's an easy way and a hard way. Let's get the hard way out of the way first. The hard way is to try and do it yourself, please don't try this way. The easy way is to Consecrate yourself to Jesus through Mary. St Louis de Montfort, whose work is summarised in the book *Totus Tuus* and also *33 days to Morning Glory* said that the quickest, easiest and surest way to heaven is by consecrating yourself to Jesus through Mary. It's easy because Mary does the work! She said at Medjugorje, *"You don't have to change to love me, rather, love me and I will change you."*

Both books are excellent and *33 Days to Morning Glory* is also available in an ebook which means that you can get it quickly and cheaply. The last time I looked *33 Days to Morning Glory* had sold over 2,000,000 copies which is sensational for a Catholic devotional book.

Update July 28, 2022.

Summary of my retreat at Galong NSW from 17–22 July 2022

I had been on a five-day retreat with the Benedictines at Marburg, Queensland in September 2021. I was greatly blessed by the retreat and jumped at the opportunity to do another one with them, so I booked at least two months beforehand. I didn't take much notice of the dates at first, but when it got closer, it dawned on me that the retreat began on July 17... a very significant date for me. I took that to be a good sign.

This retreat represents a pivotal point on a word given to me by the Lord when I was on another retreat in Toowoomba back in 1994. The Lord called me to be a watchman (as was the prophet Ezekiel) and warn of the coming punishment of the world by fire. This is not my idea but is fully expressed in Scripture and by Our Lady in a series of messages to Sister Sasagawa in Akita, Japan.

I was starting to doubt that the Lord had really spoken to me back in 1994 and I was going on the retreat to get clarification about this from the Lord.

I knew something was up when I was unexpectedly given the grace to fast for an extended period of time before the retreat. Those who know me will know that I have trouble fasting for one day let alone 33 days. I didn't intend to fast for a long period... it just happened. I fasted for 23 days on 250 calories per day and a further 10 days at 0 calories per day. So I averaged 140 calories per day for the whole 33 days. I could do this easily and never felt hungry. God's grace is amazing! What does 140 calories of food look like? The smallest tin of tuna that you can buy is 149 calories.

Image by Aaron Burden, Unsplash

Here's what happened

July 4 Both the Father and the Holy Spirit told me in prayer that on the retreat I would be empowered to complete my mission.

July 13 In prayer the Father told me that He would meet me on the retreat.

July 19 Mary told me in prayer that I would know what the Lord wants me to do by the end of the retreat.

July 20 In prayer the Father told me that by the end of the retreat I would be empowered to complete my mission. The Father told me that my life would be changed forever as I lived for Him alone.

July 21 (second last day of retreat). During mass, I had a VERY strong anointing during the Gospel. I heard (interiorly) Jesus say to me, *'Peter, I am appointing you to proclaim My Warning to the World'*.

I remember that He spoke with great authority... majesty and authority.

I thought to myself how dreadful it must be to hear these words from Him: *"Depart from me, you who are cursed, into the eternal fire prepared for the devil and his angels."*

Matthew 25:41

Update 5 May, 2023

I have just been notified of a new video by Fr Chris Alar only a few hours old at the time of writing. He discusses the Illumination of Conscience, the Three Days of Darkness and the Chastisement, all of which are covered in my ebook.

Fr Chris has a huge world wide following and the fact that someone of his stature is treating these subjects seriously means that we all should.
